

## Paired Reading

1. Choose a quiet time and place. Look at the pictures and talk about what you think the book is about.

2. Read the book aloud together. You may want to use your finger to follow the words.

3. Your child taps the book when she wants to read alone.

4. If your child makes a mistake, help her to correct it. Agree to join in again if she is struggling too much.

5. Your child taps the book when she wants to read on her own again. Remember to ask questions that encourage your child to share her thoughts and ideas about the story.

6. Give encouragement and praise her effort.
