

Grade 4

Afrikaans Term 2

Dear Parents,

Within these documents, you will find the planning and every worksheet we would have done every day during Term 2. It is the full curriculum, not merely activities to keep children busy and occupied during this time.

I understand that it is difficult for many parents to assist with Afrikaans work. I am busy compiling a "Study Buddy" with English explanations for what is expected. This will be e-mailed to parents who responded by sending their e-mail addresses. Memo's will also be sent.

We work in themes over a 2-week period and you will find that the work is compiled in that manner as well. Work is clearly labelled e.g. 'Week 1 Day 1' etc.

Each week has an additional reading piece with a comprehension test each Friday.

If you still wish to add your e-mail address to my mailing list, please send your e-mail address to 076 061 7870.

Do what you can, if you really struggle with certain concepts or worksheets, be assured that I will get your child up to date !

You are missed Grade 4's !!
