STRIVE FOR THE BEST

## **Term 3 2024**

Good morning to all our wonderful parents.

Welcome back to term 3 of 2024. We hope you had a good holiday with your children. Thank you very much to all our parents who paid their school fees in the month of June. Even although it was holiday we still needed to meet our financial commitments, we thank you whole heartedly for your support. Our learners must wear winter school uniform this week, we know it is very cold but the classes will be warm. The children can layer with warm clothes underneath school uniform.

We hope that this will be a fantastic term.

Keep warm ☐!!!!
