

# What's Happening @ LRS?

Volume 03 – March 2021

## FROM THE ACTING PRINCIPAL'S DESK

### Staff Matters

Parents please note that **Mr. Spaarwater** is unfortunately not well and is on sick leave. We wish him everything of the very best, and a speedy recovery!

**Mrs. Radebe** is Acting Principal and taking full responsibility in his absence.

### Sick Learners

Parents please ensure that learners who are sick are not sent to school. Often learners who are sick are left at school and once the screening tool has been checked, the school then has to contact parents to fetch the child. There have been a number of learners being sent home, due to being ill. Parents, please ensure that the screening forms are filled in accurately and that sick learners **are not** sent to school.

### Visitors on the School property

We have had far too many parents coming onto the school property to drop off lunch, projects and even jerseys and jackets for learners. We do understand that the weather recently has been very unpredictable. To avoid this issue please place a jersey or jacket into your child's/children's bag. Please understand that due to covid-19 protocol **NO** parents will be allowed onto the school property unless an appointment is made.

Any parent entering the school property for meetings with teachers or for the 2<sup>nd</sup> hand uniform shop must enter through **Derby Road Gate ONLY**.

### School Photographs

The date for orders to be placed and money brought has been extended to **Wednesday, 7 April 2021**. Please send the correct amount of money in the sealed envelope. **NO** change will be given.

### Parking on Neighbours Pavements

Thank you to those parents who have been courteous towards our neighbours and security guards, and who have refrained from parking in drive ways. However, there are still a few parents parking in our neighbours driveways.

### SGB Matters

The School Governing Body elections, which happen once every three years, will take place from 07:00 until 14:30 on Thursday 22 April 2021. It is vital that you have a say in how your school is governed. 5 parent representatives need to be elected, for which we need a quorum of 201 parents or legal guardians at the election. If you would like to stand for election, or nominate a willing candidate, please get a nomination form from the office. Nomination forms will be available from the 8<sup>th</sup> April 2021 and should be returned by the 19<sup>th</sup> April 2021. Please ensure that all nomination forms are filled in correctly and in full. South African ID, passport or other legally accepted form of identification is essential on the day of elections.

Please make every effort to attend this meeting; your vote is important. See you on the 22<sup>nd</sup>!

### LRS Extra Mural to Resume

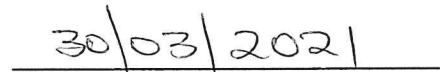

As per Government Gazette 44339, dated 27 March 2021 Schools may resume with extra murals. The extra-mural timetable will be handed out to learners as soon as it is available.

*Without education, your children can never really meet the challenges they will face. So it's very important to give children education and explain that they should play a role for their country.*

NELSON MANDELA

Always be involved in your children's lives. Life gets hectic but we have to find a way to always stay connected and let our kids know that they are loved.

Fear is a
